Welcome!

A Message from the President and CEO

I am thrilled to welcome you to the 2024 Pacific National Exhibition 4-H Festival! The PNE is thrilled to once again showcase your incredible talents and projects over 5 exciting days.

4-H is integral to the PNE. The Fair started as a showcase of agriculture in BC over 112 years ago and agriculture remains at the heart of what we do. I want to take this opportunity to acknowledge and thank the 4-H participants, their families, as well as the many leaders, judges and sponsors who make this event possible.

The PNE Fair draws hundreds of thousands of people from across the province each year and for many families, the livestock barns remain a highlight of their visit. We take great pride, as should you, in being able educate urban audiences about our province's agricultural heritage and future.

I look forward to being able to walk through to see the products of all your hard work. Congratulations on your focus and effort this year and your ongoing commitment to the values of Head, Heart, Hands and Health. You are the agriculture leaders of tomorrow and we cannot wait to see what you do this year and into the future.

Wishing everyone involved a very successful festival.

Have fun and enjoy the 2024 Fair!

Shelley Frost
President and CEO
Pacific National Exhibition

General Rules

1. General

Each participant in this competition is responsible for knowledge of and is subject to the rules contained in this prize book and the regulations governing all competitions at the Pacific National Exhibition. Any question or dispute that may arise that is not provided for in the governing rules shall be referred to the Pacific National Exhibition Management whose decision will be final.

2. Definitions

For the purposes of the rules and regulations governing conduct and participation in competitions or exhibitions at the Pacific National Exhibition, the following definitions will apply:

PNE: the Pacific National Exhibition

Participant: any person involved in any way in exhibition or competitions at the PNE

Presenter: anyone directly involved with the showing of any animal or other element entered in any competition or exhibit (e.g. grooms, handlers, exhibitors, etc...)

3. Rights and Privileges

Management reserves the right to refuse any entry, limit entries, cancel any class, or change the competition schedule. Management reserves the right to decide any point not covered by the rules, to correct any errors, or make any changes which it considers necessary.

Responsibility:

All entries are accepted with the understanding that the PNE will not be held responsible for any loss, damage or injury to any animal exhibited or any article of any kind. All animals shall be under the control and direction of the PNE Management, but solely at the risk of the participant, who will be responsible for any loss, damage, or injury to any person, animal, or property occasioned by the participant, their agents, employees, or by any animal owned or exhibited by the participant and shall indemnify the PNE against any and all loss, damages, and liability thus occasioned, including but not limited to, any and all legal costs including attorney fees which may be incurred as a result thereof. The participant shall accept full responsibility for his/her agents and employees. The submitting of an entry form to the PNE constitutes an acceptance by each person of the rules set out in this prize book.

Photography:

Each participant shall agree that photographs taken of the participant and/or exhibits by any photographer approved by the exhibition may be used for purposes of promotion by the PNE and/or its official sponsors.

4. Violation of Rules and Conduct

4-H competitors involved in serious misconduct will be subject to review by the PNE 4-H Committee along with PNE Management.

General:

The PNE upholds 4-H BC SADD rules as outlined below:

- **No Sex**
- **No Alcohol**
Members are not to be found in the possession of and/or consuming alcohol on PNE grounds.
- **No Drugs**
Possession and/or use of illegal drugs or inhalants are forbidden. This is a criminal offence and will be handled accordingly.

- **No Disruptive Behavior**

Behavior which disrupts the effectiveness of the program including vandalism, verbal or physical assaults or aggression, breaking curfew and/or leaving the premises or activity without permission (from parent or leader) will not be tolerated.

Any attempt to interfere with PNE staff, contractors or their agents while in the performance of their duties shall constitute a violation of the rules. Not cooperating with PNE site rules and ignoring rules put forth by PNE staff shall also constitute a violation of rules. Participants may not use any device or conduct themselves in a manner which may cause harm to any other person(s), animals, or property.

Members found violating these rules may be asked to leave the grounds immediately and will be subject to a discipline review by the PNE 4-H Committee along with PNE Management. The consequences of breaking PNE rules includes but is not limited to: disqualification from events and registered competitions at the PNE, forfeiture of any previously won prizes, money or titles and / or the member and their projects may not be permitted to return to 4-H Festival events.

Parents:

Although, 4-H BC and the PNE do not condone leaders or families consuming alcohol during a 4-H activity, it is recognized that the PNE offers opportunities for casual alcohol consumption in licenced areas of the grounds. Leaders and families are reminded that they are the face of 4-H that the general public sees and that they represent 4-H as much as a member does. There is no drinking allowed in the barns.

Barns:

When moving animals through the barns participants must use designated aisles. All other aisles are out of bounds at all times.

Animals may only be ridden in designated areas. Grooming or clipping will not be permitted in the aisles.

Attire:

All 4-H competitors and supervising leaders registered with the 4-H Show are expected to appear in suitable dress at all times. It is the tradition of the Show Ring that a competitor be correctly attired for the class in question and that attendants be neatly dressed and animals properly presented.

5. Animal Treatment

Abuse:

Any form of abuse (including excessive use of the whip or spurs or excessive use of the bit) on any animal in a stall, runway, schooling area, competition ring, or elsewhere on the PNE grounds at any time, by any person, constitutes a violation of the rules and renders the offender subject to penalty, disqualification, and possible prosecution. This will be strictly enforced.

Drugs and Medications:

No animal is to be shown in any class if it has been administered, in any manner, any forbidden substance. Animals in competition may be subject to testing and/or examination by a licensed veterinarian and/or technician. The examination may include physical, saliva, urine, blood tests, or any other test or procedure at the discretion of said veterinarian and/or technician. Failure to submit to such tests and examinations may result in disqualification and constitutes a violation of the rules.

Tampering:

Any animal artificially, improperly, or unfairly prepared, doctored, or tampered with in any way before entering the show ring will be disqualified.

Animal Identification Tags:

All Beef, Dairy, Goat, Sheep and Swine animals participating at the PNE must have proper CFIA approved tags in place. Any tag lost must be registered through your district secretary with confirmation of this sent to the PNE prior to arrival onsite.

6. Signs and Displays

The 4-H Committee wishes to encourage the proper use of the 4-H emblem in all signs as specified by the Canadian Council of 4-H Clubs. Points will be deducted in the herdsmanship competition for the improper use of the 4-H emblem.

7. Emergency Procedures

The club leader (or chaperone) is responsible for ensuring that all 4-H participants are aware of the emergency procedures of the PNE including evacuation and medical emergency procedures. These procedures are included in your exhibitor package, which you will receive during check-in at the 4-H Show Office.

Entry Rules

The PNE reserves the right to limit entries or decline any entry without being liable for compensation. A minimum of 3 participating clubs or 15 participating members per section is required to host a livestock show. To have a new class a minimum of 3 entries is required.

1. Entry Requirements

Eligibility:

Open to members currently enrolled in the 4-H B.C. program. The age of 4-H participants will be the age in years, as of December 31st of the previous calendar year. Members with a registered project must be between 9 and 19 years of age. Members registered in Cloverbud classes must be between 6 and 8 years of age and registered junior leaders, judging rally participants and PNE Ambassadors can be up to 21 years of age.

Only current year 4-H projects are eligible for entry. All 4-H classes are open to purebred or grade livestock. All registered projects will be checked against 4-H B.C. Identification Sheets.

All project changes must be approved by the District 4-H Council prior to entry at the PNE. A letter must be submitted to the PNE prior to move in stating the project change and must be signed by the club leader and the District key leader.

Members wishing to attend the PNE when their club is not participating in the PNE may only register with another leader or approved chaperone as long as a signed letter of approval is received from their registered club leader.

Health Status:

A veterinarian will inspect livestock entries upon arrival at the PNE. No animal suffering from an infectious or contagious disease will be admitted to the grounds or if admitted through oversight, on discovery of same, it shall be removed upon order of PNE Management. The decision of the veterinarian shall be final.

Horns are not permitted on 4-H market animals at the PNE. A horn is defined as any visual bone-like projection that breaks the hairline on the animal's head above the eyes. All animals must be completely and properly de-horned. Any scurs or calluses exceeding 1/2 inch will be considered horns and may result in the animal being refused entry and be required to leave the PNE grounds. All market steers and lambs must be completely and properly castrated. Any 4-H animals not meeting these requirements will be refused entry and required to leave the PNE grounds.

Tests for tuberculosis are not required to cover cattle originating from accredited herds or herds in accredited areas of good standing. Canada is currently a brucellosis free region.

Application:

Entries must be made by 4-H leaders on the entry forms provided by the PNE. Please fill out the entry form by member (i.e. if a member has a beef and swine project in the same club, list all projects for that member and then continue with the rest of the exhibitors following the same process) and include a copy of the PNE Parent Release and Medical Information form for each member participating.

Club leaders must supply the ear tag, tattoo markings, birthdates of all live-stock projects on the entry form, and bring proof of registration and identification with them to the PNE. All 4-H Beef, Dairy, Sheep, and Swine must have an ear tag or registered ear tattoo in order to show. These will be checked upon arrival at the PNE. Dog clubs must submit, with the entry form, copies of vaccination certificates and proof of rabies shots.

Entries must be received by the Entry Office no later than June 30th, 2024 by 5:00pm. Late entries will be charged a late fee of \$10 per member per day late. New 2024: No Market Entries will be accepted after July 31, 2024.

2. Errors and Omissions

4-H leaders (or agents filling out entry forms on their behalf) are responsible for their own errors on their entry forms. No compensation for such errors shall be made after entry closing date. If any entrant has made or caused to be made any false statement in regards to any animal or article exhibited, they will be excluded from competing or exhibiting.

3. Notification

A replay letter will be e-mailed to the 4-H leader, which confirms the details of the entry. Contact the Entry Office at (604) 252-3581 if there are any amendments to this entry. Errors and changes are the responsibility of the 4-H leader.

4. Passes

Club passes will not be mailed out. The 'A' Leader may pick up their show packages, including all passes, at the Entry Office from 12pm – 8pm on Thursday August 15th or from 9:00am – 6:00 pm on Friday August 16th, 2024. Leaders will be required to sign for their packages at the time of pickup. Parking passes, admission passes are non-refundable. Parents and Leaders are asked to plan accordingly.

Competition Rules

1. General

Competitions are governed by the 4-H B.C. Project Rules and Regulations, the General Rules, Entry Rules, the Competition Rules below, and any additional guidelines for individual classes listed in the class list. It is vital, therefore, that each exhibitor is familiar with all of these sections of the prize book as well as the rules and regulations of 4-H (can be obtained from 4-H B.C. office).

PNE Management reserves the right to change the location of competitions as deemed necessary and also reserves the right to substitute a judge or official (or other staff) for any listed in the prize book.

2. Warm-Up

Corral:

Warm-up in the Corral (lower ring) will be made available as competition and event schedule permits. Times will be posted in all published 4-H schedules.

3. Washing and Prepping

Only 4-H members are allowed to prepare animals for the showing and clean stalling area. This includes grooming, clipping, washing and all other preparations for the festival.

4. Competition

Only persons directly involved in the showing and judging of animals will be allowed in the ring. The PNE and its judges and officials reserve the right to prohibit any person(s) from entering the ring or from riding or driving. Interfering with judges, officials, or other staff while in the performance of their duties will result in disqualification. Order of entry into the ring may be predetermined by the PNE as management deems necessary.

In Gate:

Participants are responsible for having all entries ready to enter the ring promptly when called. Any participant refusing to enter the ring when directed forfeits the right to compete.

Judging:

All 4-H classes listed in the PNE prize list will be placed on the Danish system unless otherwise indicated.

Members must exhibit their own 4-H project animals in showmanship classes, and members must show in showmanship in order for the project to be shown in their project class. All members in market classes are required to show in the showmanship class of each project in order to be eligible to sell at the 4-H auction. Any clipping or grooming of 4-H project animals must be done only by 4-H members competing with a project at the PNE Fair, or that project and member may be disqualified from competing.

5. Prizes and Awards

Trophies and Special Awards:

Perpetual and challenge trophies remain at the PNE all year. During the 4-H show they will be available through the Entry Office. Where possible, trophies will be presented after the appropriate class then returned to the Entry Office.

Prize Money:

Prize monies will be paid out, in Canadian Funds, to the club. Cheques for prize money won by members of clubs will be sent as soon as possible, after the close of the exhibition to leaders for distribution to the members. All inquiries with respect to prize payments must be made before March 31st, 2024, after which accounts will be closed, uncashed cheques will be voided, and no further action by the exhibitor may be taken.

Should a participant(s) be disqualified, prizes will be re-allocated to the remaining placing exhibitors.

6. Exhibitions and Demonstrations

All exhibitions and demonstrations will be placed between classes at the discretion of the PNE 4-H Committee and the PNE Management.

7. Protests

Any protest must be submitted in writing, signed, and accompanied by a deposit of \$100 which shall be forfeited if the protest is not sustained. The protest must state fully the cause of the complaint and must be delivered to the Entry Office by 10:00am the day following the cause of the protest. A protest will be considered

official when the written protest has been received by the Entry Office and a receipt has been issued to the complainant. An official protest will be investigated by the PNE Management and appropriate Committee Chair. All decisions by this panel are final.

8. Auction Sale

All market calves, lambs, hogs, goats, and poultry to be sold must have previously shown in the PNE 4-H show. Members entering a project into a carcass class (Unit 7: Carcass Steer; Unit 8: Carcass Lamb, or Unit 4: Carcass Hog Class) must be registered in showmanship with another animal within the same project classification in order for their carcass project to be entered in the carcass class and be eligible for the sale (ie. A member registered in Market Steer Carcass must show a beef project in showmanship at the PNE 4-H show). The sale will be conducted on a price per pound basis.

Auction invitations are mailed to buyers who purchased in the previous year (2023) of the 4-H Auction Sale. New buyers must be registered by July 31st, 2024.

Any member wanting to show their animal and not sell it must state so on the entry form. If the animal is Champion or Reserve, it MUST sell at the PNE 4-H Auction

A commission of 6% will be taken on all animals sold.

Animals will be the property of the buyer upon completion of the sale. Normal care will be the responsibility of the contributor while the animals are still at the PNE. Animals will be delivered to a packing plant, in the greater Vancouver area as requested on the sales form, as soon after the sale as possible at no charge to the purchaser. The purchaser is responsible for all costs incurred.

Leased Animals:

No leased or partnership market animals are permitted. Any market animal registered for the show must be solely owned by the 4-H Exhibitor and proof of ownership may be required.

Self Hauling:

If a member chooses to haul their animal to the packing plant themselves, all costs and liabilities are the responsibility of the self-hauler after the auction. All members Self-Hauling animals sold at auction must sign a Liability Contract before loading and leaving the grounds with the animal.

Proxy Bidding:

All buyers must be pre-registered with the auction staff prior to bidding. All buyers using a proxy bidder must complete the Proxy Bidder Registration form.

Payments:

Payment must be made at the time of the purchase. Terms are cheque in Canadian Funds or by credit card (VISA, MC). Persons buying their own animal back must purchase the animal at full sale price.

Camping & RV Parking Rules

1. Supervision

Limited accommodation will be available to 4-H members and chaperones in the RV/Camping area onsite at the PNE. Leaders must use discretion when choosing members to stay on fair grounds. Leaders are required to take responsibility for 4-H members attending PNE, and 4-H members are responsible for their own actions.

Members participating in the 4-H Program must be chaperoned in the R.V. parking regardless of age. A 4-H member may not be a chaperone. Chaperones must be 21 years of age or older and have a recent valid Police Check. Space is made available to adult leaders and parents who have accepted the following responsibilities for chaperoning 4-H members. District and/or club chaperones will have space available with their district or club members they are chaperones for. Chaperones must be familiar with 4-H members from their area including any medical problems they may have. Upon arrival, chaperones must check-in with RV/Camping supervisors. By curfew, chaperones must verify that members are in the gated RV area and meeting all assigned rules. Any chaperones not meeting the above responsibilities will be required to leave.

No smoking in RV lot or any livestock area.

2. Curfews

Curfew for the RV Parking/camping will be 11:00 PM. This means that all 4-H members staying at the PNE grounds are to be inside the enclosed RV parking area by 11:00 PM sharp, with the exception of Monday when the curfew will be 12:00 AM to allow for the dance.

The barns will be closed to the general public at 10:00 PM nightly and closed to all individuals with wristbands at 10:45 PM. There will be absolutely no entry into the barns after closing with the exception of staff on duty.

3. Off Site Visits

4-H Leaders must notify the PNE RV site Chaperone when one of their club members (who is registered in the RV/Camping area) is going off site with relatives or friends, and should again advise the PNE Chaperone when they have returned. This will assist with the monitoring of 4-H member's whereabouts. This is especially important for emergency situations.

4. RV - Parking Area

RV Parking will only be available in the area designated along the fence line on the west side of Lot 9. Toilet facilities will be available on site; showers will be available in the barn area. Currently there is no policing mechanism for enforcing the curfew in the RV parking area. It is up to leaders and parents to monitor the 4-H members. If problems arise with the RV Parking Area, the PNE will provide a security person for the area which will result in an increase in RV parking fees to cover the additional expense.

5. Wristbands:

4-H identification bracelets must be worn on wrists by 4-H members at all times during the 4-H Festival. Wristbands will only be replaced if a damaged wristband is presented to the entry office in exchange for a new one.

Members found violating these rules may be asked to leave the grounds immediately and will be subject to a discipline review by the PNE 4-H Committee along with PNE Management.

Exhibitor Services

1. 4-H Entry Office

The 4-H Entry Office is located at the southwest end of the Agrodome, upper concourse level. Hours are 8:30am to 4:00pm Monday—Friday pre and post Fair-time, and 8:00am to 8:00pm daily during the Fair.

2. PNE Grounds Access:

No Dogs are permitted on the PNE grounds (with the exception of registered, participating 4-H projects only in the barns, and registered papered service dogs). 4-H identification bracelets must be worn tightly on wrists by 4-H members at all times during the 4-H Festival. This provides access to the PNE grounds, to the Barns during non-operating hours and to Special Events. Access to the grounds prior to Fair opening (11:00am daily) will only be permitted through Gate 10.

3. Animal Care

4.

Feed Delivery Area:

Clubs are required to bring all feed and supplies they require.

Veterinarian:

Entrance vet checks are done at no cost to the member but any further veterinarian services will be billed to individual members as required.

Stabling:

Stabling will be managed by the Barn Operations Supervisor. Stabling will be allotted and assigned by the PNE Management. The PNE will try to accommodate the stabling requests of 4-H clubs where possible. Stabling is only provided for animals entered in the exhibition.

It is the participant's responsibility to inspect the stabling area for nails or other foreign objects that might harm their animal or their agents.

Muck out of overnight manure material must be done prior to 7:00am each morning. All overnight materials, manure and stall refuse mucked out at any time must be placed in the barn manure compound at the rear of the Agrodome.

Tack Stalls:

Tack stalls will be allotted where available. In order to comply with fire, security, and health regulations, these tack stalls are restricted to storing materials and equipment only. As a necessary precaution against fire and in compliance with City ordinances, the use of coal oil stoves, heating or cooking equipment, or fire of any kind in any of the PNE buildings is prohibited. Participants are also required to guard against the overloading of electrical circuits and familiarize themselves with the location and use of fire fighting equipment and evacuation routes.

Wash Racks

The barn provides three livestock wash racks for members to use. In the Upper Barn on the west side there are two designated racks for horses and cattle respectively. PNE Management reserves the right to monitor the use of these racks and livestock may be asked to leave if found occupying the wrong wash rack. The wash rack in the Lower Barn on the east side will be open each morning until 9:00am. Members will be asked to leave after 9:00am. Members are asked to observe good housekeeping in all wash racks.

4. Parking

Parking on the PNE grounds is at your own risk. The PNE is not responsible for any articles left in the parking lots or the payment of parking violations or towing charges incurred by any persons prior to, during, or after the fair.

General Vehicle Parking:

Exhibitor parking will be available in Lot 9 (please see map for location of parking lots) and is restricted to vehicles, which occupy only one parking stall. Overnight sleeping in self-contained campers is available in the RV Parking area. Exhibitors must pre-purchase parking passes with their entry to be eligible for the discounted exhibitor parking rate.

Trailer Parking:

Trailer parking will be available in a designated parking lot. Requests for livestock trailer parking can be made on the entry form.

Overnight parking:

Overnight RV parking is limited to a first come, first serve basis. The designated area will be along the west fence line of Lot 9. This entire area will be enclosed with modulock fencing for enhanced security. Advance booking and payment is required; payment CANNOT be done upon arrival. Exhibitors utilizing on-site RV parking are asked to comply with the following rules:

- Adherence to dorm procedures (see Dorm Rules)
- no smoking
- no personal family dogs or other animals, 4-H dog projects are allowed (please see Dog project section for further information)
- familiarity with the fire evacuation plan

Unloading:

Unloading will occur via the Agrodome Compound, Miller Drive, and Ag Alley where PNE staff will be present to direct you. There will be no unloading or loading anywhere else. After you have unloaded, you will be directed to the proper parking location. Vehicles and trailers must be removed from the loading area immediately. Vehicles parked longer than permitted WILL BE TOWED AT THE OWNER'S EXPENSE. **Walking animals outside of the barns (and these designated areas) is strictly prohibited and will result in the entire clubs prize money being revoked.**

Move Out:

Clubs may begin to take down their decorations on Monday August 19th but are asked to not move out until after the Auction animals have been loaded. Load out will occur through the Agrodome Compound via Gate 6, Miller Drive, and the South end of the barns (Ag Alley). **Walking animals outside without staff members being present is strictly prohibited and will result in the entire clubs prize money being revoked.**

4-H Beef Section

Any animal artificially, improperly or unfairly prepared, doctored or tampered with in any way before entering the show ring will be disqualified. The addition of hair or substitute, fleece or skin to any part of the animal's body is deemed unethical and cause for disqualification. Acceptable practices approved for fitting cattle for show include: paint, adhesive, clipping of hair, trimming of hooves, dehorning, removal of ancillary teats, and attachment of artificial switches.

Leased Animals:

No leased or partnership market animals are permitted. Any market animal registered for the show must be solely owned by the 4-H Exhibitor and proof of ownership may be required.

Calves Division

Please note there will be no Unit 2 confirmation class.

5210 Market Animal: Homegrown Unit 3

The purpose of this class is to show an animal that is "home grown". The animal is to be bred, born and raised on the B.C. property where you keep your animals (you might lease property for your animals but live elsewhere). The animal is to be owned by the member or the member's family unit (family unit to include grandparents, parents, legal guardian, or 4-H member's siblings). The dam does not have to be a previous 4-H project.

Backpack (Champion Steer) Courtesy: Jesse Braun with REMAX Little Oak Realty
Buckle (Grand Champion) Courtesy: Suzee2 Livestock Services
Tote (Reserve Champion Steer) Courtesy: Otter Co-op

5211 Market Animal: Unit 3

Entry Fee: \$10 per animal (to be awarded as prize money to top two graded carcasses)

Prizes: Jackpot Prize money - 75% of entry fees awarded to the top graded steer and 25% of entry fees awarded to 2nd place graded steer. Steers are to be weighed on Friday August 16th and will be exhibited in groups according to weight. Any member wanting to show their animal and not sell it must state so on the entry form. If the animal is Champion or Reserve Champion, it MUST sell at the PNE 4-H Auction. Please state breed on the entry form. Steers sent to an accredited slaughter house will be graded. Rosettes to the "Top 10 Carcasses" - Courtesy: PNE.

5212 Grand Champion and Reserve Market Animal

Grand Champion and Reserve Champion Rosettes - Courtesy: PNE.
Cooler (Grand Champion) Courtesy: In memory of Mr. Art McClary
Buckle (Grand Champion) Courtesy: Pioneer Coupler Cattle Oiler

5213 Carcass Animal: Unit 7

All carcass animals will be sold in the 4-H Auction on Monday, August 19th. If the carcass is Champion or Reserve Champion, it MUST sell at the PNE 4-H Auction. To enter this class, members must have a beef project registered in showmanship at the PNE.

Rosettes to 10th place - Courtesy: PNE.
1st Place - Backpack (Champion) Courtesy: Konrad Family
2nd Place -Tote Bag (Reserve Champion) Courtesy: Lepp Farm Market

5214 Special Breed Awards - Steers

For the top placing Shorthorn or Shorthorn X Steer exhibiting Shorthorn characteristics, defined as red, white, roan, red and white, or blue roan, and cannot have a black hide, \$100 will be awarded. In the event that the top placing Shorthorn Steer is also named Grand Champion, the award

will increase to \$150. In the event that the top placing Shorthorn Steer is named Reserve Champion, the award will increase to \$125. Courtesy: BC Shorthorn Association. Animals in this category must exhibit shorthorn characteristics and be entered as Shorthorn or ShorthornX .

Females Division

Heifer classes will be split according to age and/or breed if entries so warrant. Please include breed and date of birth on entry form.

5215 Female: Homegrown Unit 4, 5 and 6

The purpose of this class is to show an animal that is "home grown." The animal is to be bred, born and raised on the B.C. property where you keep your animals (you might lease property for your animals but live elsewhere). The animal is to be owned by the member or the member's family unit (family unit to include parents, legal guardian, or 4-H member's siblings). The dam does not have to be a previous 4-H project. Class will be split into Heifer and Cow-Calf sections.

*If there are not enough females to warrant a class, they will be entered and judged separately as homegrown in class 5216, 5217, or 5218.

Fitting Division

No limit to entries. Members must use their own animal. Clipping chutes are to be used. Each clipping chute and fitting area is to be clearly labeled with the club's name. Each club is to supply and remove chute after competition. The animal is to be washed immediately prior to the competition. Any required clipping should be done previous to the competition; however, contestants must be prepared to discuss where and why the animal was so clipped. The use of electric clippers is NOT allowed. No shovels or water is to be taken to the fitting area. On concluding the fitting of the animal, contestants will show their animal to the judge. Juniors followed by Intermediates then Seniors. Maximum time allowed for fitting – 20 minutes.

Method of Scoring – Total 100 Points

15 points: Knowledge of needs and reasons governing clipping of animal

10 points: Knowledge and ability to describe tools, equipment and their uses.

45 points: Proficiency in using tools and grooming of animal.

30 points: Condition and showing of animal.

George Preston Memorial Trophy

The George Preston Memorial Trophy will be awarded to a beef member who has exhibited exceptional skills with both their Market steer and in their showmanship class. Points will be awarded as follows to first through fifth placing :

1st – 10pts; 2nd – 9pts; 3rd – 8pts; 4th – 7pts; 5th – 6pts

Champions will receive an additional 5 points and Reserve Champions an additional 3 points. Market Steer placing and Showmanship placing will each comprise 50% of the overall score. The PNE 4-H Committee will break ties through consideration of the member's various other participations at the Fair. This trophy will be awarded at the Closing Ceremonies.

Perpetual Trophy and Outright Belt Buckle Courtesy: PNE

Herdsmanship

All beef chutes must be clearly labeled with club identification. These areas will be included into club herdsmanship judging scores. Chute space will be limited in the North end of the barns, details for chute allocation guidelines will be detailed in the replay packages.

4-H Dairy Section

Calves Division

All breeds will show together. Classes will be split according to age if entries warrant. All calves showing in project classes must be shown in a showmanship class. Canadian Dairy Rules will apply.

4-H Dogs Section

Members may enter more than one project providing space allows. In the event of limited space, entries over 1 dog per member will be taken on a first come – first serve basis. In showmanship classes only one entry per member will be permitted and this should be specified on the club entry form.

Members must clean up after their own dog in all areas of the PNE grounds. Dogs are not permitted on the Fairgrounds, outside of the livestock area. They are permitted only in the dog kenneling area and the exercise area. Dogs must be on leash at all times.

4-H Dog projects registered at the PNE may stay in the RV lot overnight. The following regulations apply; Members are asked to use their judgment regarding how their dog will behave in the RV lot, barking dogs will be asked to be removed; Members MUST clean up after their dogs and must respect the close quarters of the RV lot; Dog projects must be in the barns from 8am to 10pm and are not to be in the RV during that time for any circumstance. If there are concerns raised about dogs in the RV, this privilege will be removed in following years.

No dogs under the age of 6 months, at the time of entry, will be allowed in 4-H competition. Proof of age may be required. Only dogs registered in competition are permitted at the PNE. Dog clubs must submit, with the entry form proof of rabies shots for all dogs attending the PNE to the 4-H Committee Section Representative during check-in.

All 4-H members are required to appear in suitable dress when in the show ring. No shorts or open toed shoes are allowed.

Baiting is not permitted in the show ring. No Prong or Pinch collars allowed on the PNE grounds (including covered ones). Halti's, Gentle Leaders, head halters are permitted.

MOVE IN/OUT SCHEDULE:

All 4-H members are required to arrive by 10:00am, Friday, August 16th. 4-H members will depart as a club following the Closing Ceremony on Monday, August 19th. The PNE recognizes the unique nature of the 4-H dog projects and is therefore flexible to having members take their dog home at night. Members are asked to use their best judgment to determine if their project can remain on site (in the barns) overnight. No dogs will be permitted in the dorms. Dogs going home at night must be back to the kenneling area by 8:00am or earlier. Members are required to bring their own dog crates (kennels).

Agility Division

All dogs must enter the ring on a flat collar with a flat 6 foot leash. Dogs may wear a tab in the off leash, but with a one point deduction. Dogs must be over the age of 18 months. No food or toys allowed in the ring.

Classes:

Junior On Leash, Junior Off Leash – Closest to clean run and time advance to – Junior run off On Leash, Junior run off Off Leash – Junior Champion and Reserve On Leash, Junior Champion and Reserve Off Leash.

Senior On Leash, Senior Off Leash - Closest to clean run and time advance to – Senior run off On Leash, Senior run off Leash – Senior Champion and Reserve On Leash, Senior Champion and Reserve Off Leash.

5470 Junior Dog Agility - 9 to 12 years

Class will be split into a) On Leash and b) Off Leash.

Fitting Division

No limit to entries. Members must use their own dog. No clipping allowed. Handlers must be prepared to discuss where and why the dogs must be groomed or clipped. There is to be no sideline coaching in any capacity, this will result in a disqualification.

Maximum time allowed – 30 minutes

Method of Scoring – Total 100 Points.

25 Points: Knowledge of grooming and coat.

25 Points: Knowledge and ability to describe tools, equipment and their use.

25 Points: Proficiency in using tools and grooming of dogs.

25 Points: Presentation of grooming area and tack.

5265 Junior Dog Fitting

Rosettes to fifth place - Courtesy: PNE

5266 Senior Dog Fitting

Rosettes to fifth place - Courtesy: PNE

Interclub Competition Division

1. One interclub entry will be allowed per registered club with the exception of beef and sheep.
2. Animals used in an interclub entry must be the project of the club concerned and a Unit 1 or 2 project animal with some exceptions for horse, dairy and beef clubs. Dairy clubs: Unit 1 only.
3. Interclub groups must be set up by 4-H members without any adult assistance.

5107 Dog Interclub

Prizes: \$10.00 \$9.00 \$8.00 \$7.00 \$6.00

Team Obedience:

Each club can enter a team of 4 handlers and 4 dogs. The team competes together as a team doing Novice work. Same rules as Novice.

Rosettes to fifth place - Courtesy: PNE

4-H Goat Division

Goat Project Division

Animals will be judged according to individual breed characteristics. Classes may be combined or split if entries so warrant. No horns or scurs except on registered animals in Fibre Goat class (Unit 9) Members showing in the project ring are expected to be dressed appropriately for the projects that they are showing. Dairy animal handlers are permitted to show in black pants and white tops.

Junior Animal Division

Pack Goat Division

5259 Pack Goat: Unit 7

Champion and Reserve Champion Rosettes – Courtesy: PNE
Tool Bag (Champion) - Courtesy : Fraser Valley Footprints

Projects in Pack Goat section, while carrying an appropriate pack with a balanced load in it, will be judged on the ability of the handler/project team to maneuver a set course which may include, but is not limited to, any of the following:

Move around and between objects such as gates, trailers, etc.

Be able to load your goat into a truck or trailer on command

Cross a shallow body of water

Climb a hay bale mountain, wood plank, etc.

Not react to noises or unexpected visual stimuli

Be able to walk with a change of pace

Be able to back up under control of the handler

The goat must stand still while the member may be expected to do something.

Animals will be judged on general health and sturdy body-type. The judge may ask question in the ring, as well. Pack goat handlers are expected to be in comfortable, loose clothing, with appropriate footwear for trails.

Pygmy Goat Division

5260 Pygmy Goat: Unit 8

Champion and Reserve Champion Rosettes – Courtesy: PNE.

Mixed Goat Division

5261 Fibre Goat: Unit 9 Ribbons – Courtesy: PNE

5262 Goat Costume Class Participation Ribbons – Courtesy: PNE

Showmanship Division

Projects will be shown in the same ring according to the 4-H Goat Showmanship scorecard. Chevon, Pack Goat and Pygmy projects do not have to be clipped, but are expected to be clean and trimmed, if necessary. Members showing Dairy projects are to be dressed appropriately, preferably in white. Members with Chevon or Pack Goats in the showmanship ring may, if they wish, show in all white but are not expected to. The judge may ask questions in the ring.

Interclub Competition Division

5109 Goat Interclub Prizes: \$10.00 \$9.00 \$8.00 \$7.00 \$6.00

Two to four members to form a team. One team per club. Members to display goat(s) and use necessary equipment for that specific unit where necessary. Teams to choose their presentation on one of the following units: 1, 2, 3, 4, 8 or 9. One commentator is to introduce and to speak on behalf of the team while other member(s) are to demonstrate. Rosettes to fifth place – Courtesy PNE.

Teams to be judged on presentation and information provided.

- a) Milking doe: team to demonstrate good hygiene practices and demonstrate milking technique (1 goat)
- b) Pack goat: team to demonstrate necessary hiking equipment and demonstrate how to saddle a goat (1 goat)
- c) Chevon, Doe kid, Dry yearling and Pygmy: team to demonstrate what makes an ideal animal for their specific unit and comment on each goat(s) desirable and undesirable traits. (Up to 4 animals)

Maximum time allowed: 5 to 8 minutes

Competitors are required to complete their presentation within the time allotted. A time penalty will be assessed if the competitors go over or under the allotted time limits. The penalties are as follows:

- Under 5 minutes - 2 points deducted
- Over 8 and up to 9 minutes - 2 points deducted
- Over 9 minutes - 4 points deducted

4-H Lamb Section

All lambs and sheep must have Government approved ID tags in ears when leaving their home farm. Please ensure all animals are properly tagged BEFORE arriving at the PNE. See General Rules for details.

All lamb will be inspected upon arrival at the PNE and disqualification may occur if tails are deemed to not meet this regulation. Please note : We will be following the 4-H BC Sheep Regulations updated in January 2022 for Tail Docking.

Lamb Division

Market lamb classes will be split according to weight if entries so warrant. All Market Lambs must be castrated, so that no testicle is in place at the PNE Fair. All lambs will be screened by a committee. It is recommended that market lambs be sheared at least one week before the PNE, with the exception of lambs used in showmanship. Market Lambs may not be washed prior to the weigh in on Friday morning.

5228 Carcass Lamb: Unit 8

Prizes: \$10.00 \$9.00 \$8.00 \$7.00 \$6.00

All animals must have been shown at Club Achievement. All carcass animals must arrive to Meadow Valley Meats on Monday August 12th, time TBD for check in and inspection. All carcasses will be sold at the 4-H Auction on Monday, August 19th. To enter this class, members must have a lamb project registered in showmanship at the PNE.

Rosettes to tenth place – Courtesy: PNE.

Cooler (Champion) Courtesy: K9 Country Cottage

Cooler (Reserve Champion) Courtesy: Sanscorp products Ltd.

5224 Market Lamb - Homegrown: Unit 1

The purpose of this class is to show an animal that is "home grown". The animal is to be born and raised on the B.C. property where you keep your animals (you might lease property for your animals but live elsewhere). The animal is to be owned by the member or the member's family unit (family unit to include parents, legal guardian, or 4-H member's siblings).

Champion and Reserve Champion Rosettes - Courtesy: PNE.

5225 Market Lamb - Sale: Unit 1

Any member wanting to show their animal and not sell it must state so on the entry form. If the animal is Champion or Reserve Champion, it MUST sell at the PNE 4-H Auction. Please state breed on the entry form. Ewe or Wether. No uncastrated males are allowed to enter this class.

4-H Poultry Division

1. Any variation of males and females constitute a trio.
2. All birds in this section must be banded with a numbered band or other suitable identification. Classes will be split by breed or variety if entries warrant.
3. It is desirable that birds entered for competition be 5 months of age at show time. They must be properly developed and fit for show; no entry of inferior quality will be accepted.
4. Regular classes will be awarded on Danish placing.
5. All feed and water containers must be supplied by the 4-H Exhibitor.
6. Poultry club members must bring their own pens. The PNE will not supply poultry pens. This is also important for disease prevention.
7. Pens must be large enough to comfortably house poultry for the length of the 4-H show but also fit safely on a table.
8. Please list on your entry form the number of feet of table space required.

Market Poultry Division

Birds (or eggs) registered in the market division will be sold at the PNE Auction on Monday August 19th. Exhibitors **MUST** arrange for a cage or carrying device for the buyer. Only commercial breeds will be allowed in the market division. As per 4-H BC regulations, all band numbers of Market birds (including Meat Pen) **MUST** be registered 30 days prior to club achievement. The PNE must receive all band numbers prior to July 22nd, 2024. Please note that it is the club leader's responsibility to assure that band numbers have been received by the PNE Entry Office prior to the deadline. Failure to submit a proper band number may result in refusal of sale in the 4-H Auction.

- 5940 Unit 8: Market Layer**
 Champion and Reserve Champion Rosettes—Courtesy: PNE
 Class to be split in divisions as follows: Chickens, Duck, Geese, Turkey as required. Trio and 3 dozen eggs to be exhibited. Eggs to be sold at the auction.

5941 Unit 9: Market Meat and Unit 10: Market Carcass

Champion and Reserve Champion Rosettes—Courtesy: PNE

Class to be split in divisions as follows: Chickens; Duck; Geese; Turkey as required.

Weight and age restrictions as follows:

- Broiler Chickens minimum weight 3.5 lbs per bird and raised more than 42 days;
- Roaster Chickens minimum weight 5 lbs per bird and raised more than 56 days;
- Duck minimum weight 8 lbs per bird and raised more than 49 days;
- Geese minimum weight 10 lbs per bird and raised more than 120 days;
- Turkey minimum weight Hens-13lbs, Toms-20lbs and raised more than 112 day

Fitting Division

Two members from each club to form a team. Team may consist of one senior and one junior member. One member to do the actual fitting while the other member to act as a handler. No communication between the two members except for the fitter asking the handler for tools, etc. On completion of the fitting the handler will pose the fowl for the judge. All competitors will come to the judging table at the same time and will be instructed by the judge of what process is to take place.

Maximum time allowed for fitting – 20 minutes

Method of Scoring – total 100 Points

- 25 points: Knowledge of needs and reasons governing fitting of animals.
- 25 points: knowledge and ability to describe tools, equipment, and their use
- 25 points: Proficiency in using tools and grooming animal.
- 25 points: Condition and showing of animal.

- 5945 Poultry Fitting Competition**
 Rosettes to fifth place - Courtesy: PNE.
 Class will be split into Junior, Intermediate and Senior if entries warrant.

4-H Rabbits Section

1. One entry per class per member. Members are encouraged to enter their unit 1, 2 and 3 project animals.
2. All rabbits must be from the members' current year selected project and must be properly tattooed and recorded on the entry form.
3. No tattooing after the rabbits arrive. All tattoos should be properly dried and all excess ink should have disappeared.
4. Rabbits may only be shown in the class that corresponds to the unit they are registered in.
5. Breeds listed in each category are the preferred recommended section.
6. Any class changes should be submitted at check-in.
7. All feed and water containers must be supplied by the 4-H member.

Leaders please note that rabbit exhibitors must bring their own penning. See acceptable recommended sizes following. Please list number of feet of table space required for your club.

Pen and Size Description:

The proper pen designed for a rabbit should be made of an inedible material such as metal and have a double wire partition. The double wire partition prevents rabbits from biting and clawing one another. For this reason, poultry cages should not be used to house the rabbits because they have a single wire partition that offers little protection. There are three types of pens designed for different size animals according to weight. For animals that weigh a maximum of 2.72 kg (6 lbs), a small pen 38 cm x 41 cm x 38 cm (15" x 16" x 15") is used. For animals of a medium weight between 2.72 kg and 5.44 kg (6 lbs – 12 lbs), a pen size of 53 cm x 58 cm (21" x 23") is recommended. For larger animals weighing over 5.44 kg (12 lbs), a pen of 76 cm x 69 cm (30" x 27") is required.

Rabbit Commercial Division

Following breeds to be shown in Commercial Classes:
Satins, New Zealand, California, Florida Whites, and all Giants (including Flemish).

5450 Doe, Commercial: Unit 2

5451 Buck, Commercial: Unit 2

4-H Non-Livestock Section

This section includes all projects, completed this year, in the following classes: agriculture awareness, environment, adopt a grandparent, outdoor living, clothing, crafts, photography, foods, leathercraft, woolcraft, grain, horticulture, garden, bicycle, small engines, honeybee, tractor, self-determined project, junior leader, and/or any other project acceptable to the 4-H club council and the PNE.

1. All work exhibited in the following classes must receive credit as a current year 4-H project and be the work of the exhibitor.
2. All entries should be selected at the local achievement day of the clubs by the leader and/or a qualified judge. No quotas will be imposed as to number of entries per club.
3. All items must be individually tagged prior to arrival at the PNE. Tags will be mailed to clubs who enter. Extra tags are available from the Entry Office at any time.
4. All exhibits (**with the exception of those being used for Showmanship only**) must be checked in on Friday August 16th at 3pm in the Barns (North Aisle 500)
5. Non-livestock entries will be on display in the glass cases, based on space availability for the duration of the 4-H Festival from 6:00pm Friday, August 16th, 2024 until after the closing ceremonies on Monday, August 19th, 2024 at which time they must be dismantled and removed.
6. All exhibits must be clean, neat, and ready to use. No soiled entries will be judged.
7. Showmanship classes will be offered for Non-Livestock projects, but not mandatory. Classes will take place at 10am on Monday, August 19th in the Barns, exact location TBD Showmanship will be broken up into the following categories: Photographic Techniques; Fibre Arts; Gardening; Tractors and Small Engines. Register for appropriate class on Entry Form. Articles being used for showmanship will not be displayed ahead of time, members are asked to bring them on Monday. Show committee reserves the right to combine classes and/or move entries to other divisions if limited entries are received.

Non-livestock Project Entries - Classes 5500 to 5510

Each member registered in a non-livestock project may enter one item per unit completed in the current year. Examples: a project display board from any unit in photography; a recipe file from any unit in foods; a tin can stove from outdoor living; one completed craft article from any unit in crafts or a list of tools and their uses for work on small engines in mechanics. Entry tag must include the age of the member, the project, the unit enrolled in, and any specific details the judge should be aware of (for example: use of own design in a craft article, ~~42~~ turned own leather for leathercraft project, etc).

Project Entries (excluding those being used exclusively for showmanship) must be checked in on Friday August 16th at 3pm in the Barns (North Aisle 500). All Non-Livestock Projects will be judged using the same score card

5500 Photographic Skills and Artistry

Members are to enter the final single best photography from Units 1, 2, 3, 4 or 5. Photography to be size 8"x12", framed for display.

5501 Photographic Techniques -Showmanship

Monday August 19th 10am - Barns— Exact Location TBD
Members are to enter a display board of 10-15 mounted photographs from units 1, 2, 3, 4 or 5. Members are required to present their display board to the judge and discuss the photography techniques used.

5502 Foods and Honey Project Entry

Foods: Members are to enter a completed record book (for the current year) for Unit 1, or 3; or a display board from their work with Unit 2, 4, 5, 6 or 7.
Honeybee: Members are to enter a completed record book (for the current year) for Unit 1, or a display board or poster from their work with Unit 2 or 3.

5503 Foods and Honey Showmanship

Monday August 19th, 10am - Barns Exact Location TBD
Members are to enter an article of work from Foods Unit 1, 2, 3, 4, 5, 6 or 7; Honeybee Unit 1, 2, or 3. Members are required to present their articles to the judge and discuss the techniques used to create them.

5504 Fibre Arts Showmanship

Monday August 19th, 10am - Barns Exact Location TBD
Members are to enter an article of work from Unit 1, 2, 3, 4, 5 or 6. Members are required to present their articles to the judge and discuss the techniques used to create them.

5505 Fibre Arts Project Entry

Members are to enter a display board showing the stages of work of their project from Unit 1, 2, 3, 4, 5 or 6.

5506 Gardening Showmanship

Monday August 19th, 10am - Barns Exact Location TBD
Members are to enter a product of work from Unit 1, 2, 3, 4, 5, 6 or 7. Members are required to present their articles to the judge and discuss the techniques used to grow them.

5507 Gardening Display Board

Members are to enter a display board showing the stages of work of their project from Unit 1, 2, 3, 4, 5, 6 or 7.

5508 Tractors and Small Engine Showmanship

Monday August 19th, 10am - Exact Location TBD
Members are to enter a completed engine from Unit 1, 2, 3 or 4. Members are required to present their engine to the judge and discuss the work done.

5509 Tractors and Small Engine Display Board

Members are to enter a display board showing the stages of work of

their project from Unit 1, 2, 3 or 4.

5510 Any Other Project Display Board

Members are to enter a display board showing the stages of work of their project from any other 4-H Non Livestock project (craft, clothing, leather, outdoor living).

- 5512 **Grand Champion and Reserve Champion Non Livestock Project**

Educational Display Competitions

Open to all registered 4-H clubs. Displays must conform to all 4-H rules & must not exceed maximum size of 180 cm long x 90 cm deep x 120 cm high. Participants must attach entry number to displays by the beginning of the program. All Displays must be in place in the Barns Exact Location TBD no later than 4:00pm Friday August 16th, 2024. Judging will take place at 5:00pm on Friday evening. If entries exceed space available, entries may be limited to 2 per district (available on a first-come, first-served basis). Clubs will be notified by July 31st if restrictions are necessary. Entry Forms must be submitted by the entry closing date. Winners will be announced at the Special Event Friday evening.

5614 Junior Educational Display

Prizes: \$25.00 \$15.00 \$10.00

Entries must consist of displays made solely by junior members with no senior member help. Rosettes to tenth place - Courtesy: PNE

5615 Senior/Club Educational Display

Prizes: \$25.00 \$15.00 \$10.00

Entries may consist of displays that were done by a club, a team of seniors or where a senior member helped to create the display. Rosettes to tenth place - Courtesy: PNE

“Stay Safe” Educational Display Program

A special sub section of the Educational Display Competition, this program encourages members to create an educational display on the theme “Stay Safe”. Members encouraged to develop topics such as the importance of home and personal safety, day to day or when emergencies strike. Possible topic areas may include natural gas or electrical safety, accident prevention at your home or farm, creating a fire safety plan, or building an emergency kit. Members will have the opportunity to attend the PNE with their display board as part of a special program being offered by the BC Ministry of Agriculture, 4-H BC and the PNE.

This year the program will be hybrid with traditional educational display boards submitted in-person at the PNE, and a virtual option for members to enter the digital poster category online. See online registration form for full contest details.

For members entering a **traditional ed. display board** on site at the PNE, the following applies:

- Submit a photo of display board and member, by August 9th
- Boards must be dropped off the Livestock Barn on Friday night, August 16th, exact location will be emailed
- Members do not need to be on site at the PNE to compete; boards can be dropped off
- Boards from the Fraser Valley must be left at the PNE from August 16—September 2; boards can be picked up in person at the Abbotsford Ministry of Agriculture and Food Office (1767 Angus Campbell Rd, Abbotsford) any time after September 9th
- Boards from outside the Fraser Valley can be taken home at the end of the 4-H festival or left behind at the choice of the 4-H club.

All participants must attend an educational webinar on **Monday, August 12th at 7:00pm**. Webinar participation is mandatory, members will be disqualified from the contest. Participants will be emailed details closer to the date.

Participants from outside of the Fraser Valley are eligible from BCYA travel assistance. Work with club/district to complete the travel assistance form.

5618 Junior Educational Display—age 9-12

Prizes: Cash prizes to the top 10 winners

\$400 \$250 \$150 \$50 \$50 \$50 \$50 \$50 \$50 \$50

Rosettes to tenth place—Courtesy: PNE

5620 Senior/ Club Educational Display—age 13+ (and all group projects)

Prizes: Cash prizes to the top 10 winners

\$400 \$250 \$150 \$75 \$50 \$50 \$50 \$50 \$50 \$50

Rosettes to tenth place—Courtesy: PNE

**Participants may only enter the contest in one category. Please note that all group entries will be in the senior/group category regardless of participant age. All work on displays and posters must be personally completed by the member or group registered.*

***Note: registration in the “Stay Safe” program is completed here: <https://www.4hbc.ca/contests> and is not part of regular club registration. Questions? Reach out to Lauren Searle, Youth Development Specialist, BC Ministry of Agriculture & Food, lauren.searle@gov.bc.ca*

4-H Special Projects Section

Special Projects Division

- 5114 Special Theme** Clubs will be awarded based on their decorations that are related to the following theme, "Kicking It Old School"

Judging for our special theme will take place on Friday evening.

"Top10" Rosettes

5115 PNE 4-H Ambassadors

The PNE 4-H Ambassador program is a chance for senior members to work together to encourage 4-H member engagement in fun 4-H festival events and to promote awareness about 4-H to PNE visitors. PNE 4-H Ambassadors will have a variety of responsibilities at the PNE including helping with the special events, leading ceremonies, staffing the 4-H BC booth, and assisting with shows ringside. The program will include a group orientation on Friday August 16th, and daily team check-in meetings. This program is funded by the BC Youth in Agriculture Foundation.

Application Requirements:

- Must be senior 4-H members and have passed junior proficiency exam
- Must complete PNE 4-H Ambassador Application
- Must submit a copy of completed and signed PNE Parent Release and Medical Information form.

All PNE Ambassadors will receive a PNE 4-H Ambassador Team shirt, meal tickets for days on duty, and instruction on talking with the public about 4-H. PNE Ambassador's duties can be a members only activity at the fair, or duties can be planned to work around a members show schedule. It will be a busy group with lots of fun and teamwork included! For outlying areas, the BC Youth in Agriculture Foundation Funding is available to assist with travel expenses. Please work with club or district to complete the BCYA travel assistance form.

Applications to participate in the PNE 4-H Ambassador program are completed and submitted to the Abbotsford Ministry of Agriculture and Food Office (1767 Campbell Rd., Abbotsford, BC, V3G 2M3) or by email to sarah.veeswijk@gov.bc.ca by June 28th, 2024.

Selected PNE 4-H Ambassadors will be notified after July 31st, 2024.

PNE 4-H Judging Competition

Senior 4-H members age 13-21, as of January 1st, 2024 (with Junior Proficiency) are eligible to compete. Each participant must submit a copy of their PNE Parent Release and Medical Information form.

Please Note: Change in date for the judging rally—now happening on **Friday, August 16th**. Members can enjoy the free ride day before the competition.

1. All class entry requirements and deadlines, as stated elsewhere in this prize list, apply
2. Participants will organize their own transportation. Participants from outside of the Fraser Valley can apply for travel assistance through the BC Youth in Agriculture Foundation (see application form enclosed in entry package).
3. Participants are chosen based on District 4-H rally results, and are to be entered by their District. Registrations will not be accepted from individual members.
4. Districts will be required to send a chaperone with their participants. The Chaperone must check in (with their participants) at the 4-H Office once onsite to receive their information package.

Guidelines for Judging Competition:

Participants will judge a total of 6 classes:
One oral and one written class of their **own enrolled** project and;
Four classes with written reasons from the following group*:

Dairy	Poultry	Beef	Sheep
Dog	Rabbit	Llama	Goat
Swine	Non Livestock		

*Participants will be required to declare which classes they wish to judge on their entry form.

1. Fifteen minutes per class will be allowed for judging and writing reasons.
2. Participants will be registered by their enrolled project (members are restricted to enter in only one enrolled project) and will judge both a written and an oral class in that project.
3. All participants will be expected to attend the Official Judges Placing and Reason session.

Prizes:

The top judge in each project will receive an outright prize, Courtesy: The PNE.

Overall Aggregate Winners will receive:
Top 10 Aggregate Rosettes and:

1st place: \$450 cash prize and a trip to Agribition in November** (See below)
2nd place: \$300 cash prize
3rd place: \$200 cash prize
4th place: \$150 cash prize
5th place: \$100 cash prize
6th – 10th place: \$50 cash prize

Perpetual Trophy (Overall Aggregate Champion), Courtesy: The PNE

All cash prizes are courtesy of the BC Youth in Agriculture Foundation.

** Qualifying age for Agribition is 17-21 years of age as of January 1st, 2024. If the first place winner is under the age of 17, the next placed winner of the correct age will be considered. The Agribition trip will only be awarded to one of the top 3 winners. The BCYA Foundation will pay the winner's Agribition registration fee, hotel stay during the Agribition Judging Competition, as well as up to \$500 in travel fees.

Registration:

Judging Competition registrations will only be accepted from 4-H District Councils.

Please see enclosed PNE Judging Competition Entry Form for registration details.

4-H Herdsmanship Section

In 2024 we will not have a formal Herdsmanship Competition with awards for placings. Instead we will have team members walking around the barns giving our spotlight awards to clubs excelling in the following areas:

- (A) Agriculture Awareness
- (B) Clubs should display, or have available to the public, educational information on Agriculture and 4-H that is useful, relevant and easy to understand.
- (C) Exhibitors
- (D) Club members should be neat and display courtesy and politeness to the public at all times. They should inform the public about agriculture and 4-H.
- (E) Stalls Display
- (F) Each club is required to be identified by an appropriate sign, which should be on view until departure. Signs should be informative. Please note that fire regulation forbid the use of crepe paper streamers in decorations.
- (G) Stall Cleanliness
- (H) Adequate bedding, cleanliness, neatness, and tidiness is expected. Animals must be housed properly, as well as kept clean and well groomed at all times.
- (I) Equipment and Supplies
- (J) Tack boxes kept tidy and out of alleyways (contents of the tack box and condition will not be considered in the scoring). Boxes may be kept closed during inspection. Feed supplies neat and orderly. Feed and water containers clean.
- (K) E-coli Safety
- (L) Club members should be using hand sanitizer and not eating in stall area. Furthermore they should be talking to the public and educating them about e-coli safety

This is designed to encourage clubs to maintain their exhibits at the highest standard of efficiency and attractiveness throughout the period of the 4-H Festival. Beef chutes must be labeled; these fitting areas will be taken into consideration during judging. **The Herdsmanship must be carried out without adult assistance.**

Quick Reference

Hours

Park Public Hours	11:00am—10:30pm
Entry Office (during Fair)	8:00am—8:00pm
4-H Office	9:00am—6:00pm

Barn Hours

Emergency Access	11:00pm—5:00am
Exhibitors Only	5:00am—8:00am, 10:00pm-11:00pm
4-H Public Hours	8:00am—10:00pm

Contact Numbers

We have a “One Number” system to make it easier for you to get in touch with the right people (the number goes to different people depending on the time of day and the time of year). If you have any questions, just call this number and someone will be able to help you or quickly direct your call to the right person. Once you’re on site, you can call this number from any phone (not a pay phone) by dialing the last 4 digits only.
