SUSTAINABILITY AT THE PNE

The PNE is committed to sustainable practices and minimizing our environmental footprint. We try to integrate this into everything that we do, including our food services. How?

- All our food waste (that's pre and post-consumer waste) is composted, and we ensure the disposable containers and cutlery we do use are all biodegradable or recyclable.
- We try to integrate local and seasonal ingredients into our food offerings—just take a browse through this menu!
- We are part of the Vancouver Aquarium's Ocean Wise program, which is dedicated to raising consumer awareness about the issues surrounding sustainable seafood. The Ocean Wise symbol next to a menu item indicates the item is a good choice for keeping ocean life healthy and abundant for generations to come.
